

EXPECT TO SELECT HOSPITAL SITE TODAY

Alexandria Committee Meets to Discuss Various Pieces of Property Offered.

ALEXANDRIA, Va., July 28.—The building site committee of the Alexandria hospital met this afternoon at 2 o'clock, at the rooms of the chamber of commerce, to consider the question of the site for the new hospital building. It is probable that the committee may reach a decision this afternoon. Property in various sections of the city has been offered.

The building committee has taken no action pending the selection of the site. The cost of the land and the building will be about \$75,000, of which about \$12,000 was raised by public subscription.

Plans for the refutation on the Potomac river Saturday afternoon under the auspices of the Md. Dominion Boat Club have been completed. The races will take place between the club house and the lighthouse at Jones Point, commencing at 5:30 o'clock. The regatta will be in charge of J. Sidney Douglas, captain. Carl J. Mueller, first lieutenant, and Hunt Russell, second lieutenant. On August 6, the club will give a smoker.

City Sergeant Robert H. Cox, Alderman Henry K. Field, and Corporation Attorney Samuel P. Fisher, passengers in an automobile belonging to John G. Graham, a real estate agent, which was held up by an Alexandria county official, on Mt. Vernon avenue, yesterday, and the owner charged with violating the speed law, appeared before Justice R. Gordon Finney, at Alexandria county court house today.

A meeting of the George Washington Birthdays Association was held yesterday afternoon at the rooms of the Chamber of Commerce and the business connected with the parade held on February 22, last, was completed.

Stephen C. Craven, infant son of Mr. and Mrs. Ernest Craven, 416 Wilkes street, died this morning. The funeral will take place tomorrow afternoon at 2 o'clock and interment will be in Bethel cemetery.

But slight hopes are held out for the recovery of City Councilman Frank C. Spinks, who has been seriously ill for the past two weeks. His death is expected within a few hours.

Members of Oriental Lodge, No. 8, Knights of Pythias, and the St. Paul Baptist Church, went on an excursion to Colonial Beach today.

The work of painting the police court room and police station has been completed and the court room was used this morning for the first time in a month.

In police court today, Frank Jackson, charged with an assault on William Johnson, was fined \$5. Louis Baltimore, charged with an assault on Clarence Anderson, was dismissed. James Jones, charged with disorderly conduct and fighting, was dismissed. Lee Dou and Lee Yoo, two Chinamen charged with disorderly conduct, were ordered to destroy the dog; Ida Evans forfeited collateral of \$5 for drink and dance, and James Douglas forfeited \$1 for violation of the traffic ordinances.

Mrs. Kate Waller Barrett, president of the National Council of Women, has been brought to Cape Henry and is now spending several weeks at Ocean Grove, N. J.

Rev. Mr. Lewis, of Iowa, is the guest of Mrs. G. William Ramsey at her home on Cameron street.

ROCKVILLE.
Fire destroyed the home of John Burrows, at Clarksburg, yesterday, entailing a loss of \$2,000, which was partially covered by insurance. The fire is supposed to have been caused by the explosion of a coal oil stove.

E. Lloyd Fawcett, of Coleville, has been appointed supervisor of tax assessments for this county at a salary of \$1,200. He will have charge of the assessors and work under the State tax commission and county commissioners.

Charles Smith, colored, is held for a hearing on a charge of assault, charged that Smith hit Burley Willis, colored, on the head with an ax handle on Sunday.

The picnic of St. Gabriel's Catholic Church, at Potomac, yesterday, attracted a large gathering. J. Dawson Williams, of Rockville, delivered an address.

Hardy Cissell, son of the late G. O. Cissell, of Wheaton district, died yesterday in a sanitarium near Baltimore.

The county commissioners have sold to Alexander Brown & Sons, of Baltimore, the \$15,000 of bonds issued for the improvement of the Federal Quince Orchard road and the \$10,000 bonds issued for the improvement of the road from Kensington to Forest Glen. The bid was \$2,500.

Mr. and Mrs. Thomas Dawson have announced the engagement of their daughter, Miss Lavinia Gassaway Dawson, to John Wagner Henderson, of Germantown, son of the late Joseph Henderson.

CLEANSE YOUR HAIR

Then Keep It in Perfect Condition If You Want It To Be Beautiful.

Cobb's Shampoo will remove every trace of dirt and dandruff from your hair and scalp. Parian Sage (the well-known hair tonic) will stimulate the growth of your hair and keep it soft and lustrous.

Cobb's Shampoo contains all of the ingredients that cleanse and purify. A little of the powder dissolved in water makes an instantaneous lather that rinses out easily, and takes all the dirt, dandruff and "stickiness" with it. Parian Sage is a scientifically prepared hair tonic, that invigorates the scalp, stimulates the hair growth and keeps the hair lustrous and beautiful. Parian Sage and Cobb's Shampoo are inexpensive toilet necessities, and you can get them at O'Donnell's Drug Store or at any drug or toilet counter.—Adv.

The News of the Country Told Briefly

EAST.

NEW YORK.—The legality of oral money passes when the bet is made, was upheld by Justice Madden in the supreme court in Brooklyn in the case of Daniel O'Brien and Charles A. Bellard, bookmakers, arrested at the Aqueduct track on June 21.

TRENTON, N. J.—Emaciated with illness, Margaret Fisher, seventeen, is trying to starve herself to death at the Mercer county workhouse, in which her father recently died. The girl has not eaten for several days, and the authorities are puzzled as to what steps to take.

TARRYTOWN, N. Y.—Claiming that the board of trustees failed to properly support the police in the recent raids on 1. W. W. agitators, Robert E. Hudson, one of the trustees, has resigned.

NEW YORK.—I will give my entire fortune to any one who can restore by sight, said Mrs. Isabelle Lare, of "Connoisseurs" who arrived here on her way to Paris to consult specialists.

NEW YORK.—Former Governor Sulzer in his answer to the supreme court to the suit brought against him by the J. S. Ogilvie Publishing Company for \$3,000, alleged to be due for printing "Sulzer's Short Speeches," denies he owes the firm any money, and says royalties of \$1,000 growing out of the sale of the speeches are due to him.

TACOMA, Wash.—With dynamite and power drills nearly a thousand men, working in relays, saved the lives of fifty workmen, who were imprisoned by a cave-in 4,500 feet from the east entrance to the St. Paul railway's 12,000-foot tunnel under the Cascades at Snoqualmie Pass, and completed the tunnel four days ahead of time.

BROOKLYN.—The joy of locating his wife in Russia after having lost track of her for a long time, caused the death of Samuel Yamm, fifty years old, Yamm, dropped dead after receiving a letter from his wife saying she was on her way to join him here.

NEW PROVIDENCE, N. J.—After being forced to postpone their marriage three times in two years, Miss Jane Christopherson, of Berkeley Heights, N. J., and Robert M. Elson, of Santa Cruz, Cal., finally were married at New Providence, N. J.

NEW YORK.—C. B. Forstadt, jeweler, 11 East 125th street, returned from the country and found his store safe closed. When it was opened \$5,000 worth of jewelry that should have been in it was gone. So was Nathan Lessen, a clerk.

ALBANY.—Governor Glynn, who was to have participated in the ceremonies at the opening of the Cape Cod canal tomorrow has been taken ill.

1912, is appraised at \$2,146,000. Harvard University is named as ultimate beneficiary to the amount of \$500,000. The Smithsonian Institution will receive shares valued at \$36,367.

NEW YORK.—H. O. Havemeyer, the sugar magnate, whose country estate in the Ramapo Mountain comprises about one-half of Hoboken township, and is easily worth a million dollars, has sent a bill to the Hoboken township committee for \$250,000 representing the value placed upon five blue ducks, two dozen pheasants and half a dozen geese. These fowl were killed by dogs.

TRENTON.—What threatened to be a serious mutiny in the State prison here over serving boiled instead of fried potatoes was averted by Prisoner Keeper Madden, who had an individual

MIDDLE WEST.

DODGE CITY, Kan.—The grasshoppers are working in Ford county again, many having made their appearance in the last few days.

CLEVELAND.—A \$150,000 syndicate to handle victuals for the ice and coal business in Cleveland, Cincinnati, Dayton and Columbus is reported to be in process of formation here.

GRAND RAPIDS.—Walter Lawrence, of Covington, Ky., was sentenced to fifteen years' imprisonment for participation in the robbery and triple murder in the Thomas jewelry store here last September.

PITTSBURG, Kan.—There is no prospect of a settlement of the strike of car men of the Joplin and Pittsburg Electric Railway Company, which has tied up 12 miles of trolley railroad for three weeks.

CHICAGO.—Dan O'Leary, the seventy-one-year-old pedestrian, will attempt next month to walk 1,000 miles on a mile track.

CHICAGO.—A hitherto unforeseen difficulty confronts the election officials of this city, who will be called upon to handle the September primary vote. Experts estimate that it will take thirty hours to count the primary ballots. The new primary law requires that the election officials shall not separate from the time the polls close until the count is completed.

COLUMBUS, Neb.—The chief feature of the Democratic State Convention, here, was the defeat of W. J. Bryan and his brother, Charles W. Bryan, in their effort to prevent the resolution passed by the convention from containing a laudatory mention of the name of Senator G. M. Hitchcock.

OMAHA.—Western railroads have decided to fight the order of the Interstate Commerce Commission closing the Denver gateway to freight traffic destined to local points on the Union Pacific, Oregon Short Line, and Oregon Washington railroads.

DETROIT.—Seven more deaths attributable to the heat are reported. All

Gives Quick Home Cure For Corns, Callouses And All Sore Feet
Millions of people who endure daily torture from sore feet will welcome the information that there is now a simple treatment that positively and quickly cures foot ailments of all kinds. You can say goodbye to corns, callouses, bunions, swollen feet, aching, burning, smarting and sweaty feet. This treatment breaks right through the pores and relieves the cause of the trouble. Use it once and your feet will feel like new. It is a week and your feet will feel like new. It is a week and your feet will feel like new.

SAN FRANCISCO.—In a speed trial held before Judge Sturtevant, Lasher B. Gallagher, twenty, who has studied stenography since the age of ten, wrote 28 words a minute, which was as fast as anybody in the room could read to him.

REDFIELD, S. D.—The sight of a man picking up a crust of bread on the street led W. F. Becker, a merchant, to provide food for 30 hungry men who came to this section to work in the harvest fields.

BITTE, Mont.—Ten forest fires in western Montana and northern Idaho are raging and efforts of hundreds of men have made little progress against the flames.

LOS ANGELES.—When Charles Wilson votes at the coming State primaries it will cost the State \$19. Wilson lives on Catalina Island, and is the only voter in his precinct, which is twelve miles from Avalon, the only town on the island.

S. S. S. is prepared only in the laboratory of the Swift Specific Co., 514 Swift Bldg., Atlanta, Ga. When you purchase a bottle of S. S. S. look for the title "Booker that invites you consult freely our medical department."

There is the complex and extensive plan of mucous membranes lining all the cavities of the body. Herein is where poison matter collects to be prepared or converted as they are important. This is accomplished mainly by the mucous membranes of the lungs, liver, kidneys and bladder and by the skin which is a modified form of mucous membrane. S. S. S. has a most peculiar action in stimulating these membranes to the excretion of hyper-secretions.

The well known catalytic action of S. S. S. is important. This means that the medicinal properties upon entering the blood do not lose their identity through changes, but continue a medical influence until eliminated by the various excretories.

WEST.

TRINIDAD, Cal.—This city is threatened with a water famine, and orders have been issued by Mayor Duniavay restricting the use of water to domestic purposes.

SALT LAKE CITY.—Railroad traffic officials are making preparations to move a record-breaking potato crop from Idaho this season. They estimate that 20,000 cars will be required for the crop, 3,000 more than were needed last year. The crop is valued at \$5,000,000.

SAN FRANCISCO.—San Francisco, which already has two municipal street car lines, soon is to have three more. About eighteen months ago it took over the Geary street line. At the end of last year it took over the Union street line, from the ferries to the Presidio. Bonds were voted to construct other lines that now are about completed. One of these is along Van Ness avenue.

SAN BERNARDINO, Cal.—Snow-falls fifty feet deep are on the summit of Mt. San Geronimo, the highest peak in southern California.

SAN FRANCISCO.—Mrs. Anne Caminetti, wife of the Commissioner of Immigration, has announced that unless the Democratic party developed a candidate to oppose Congressman Charles F. Curry, Republican, in the Third district, she will seek the Democratic nomination at the primary election.

DENVER.—An ordinance abolishing every billboard in the city of Denver is being considered by the city commission. As a result of the defiant attitude that the big sign companies have assumed toward the present regulating ordinance.

SAN FRANCISCO.—In a speed trial held before Judge Sturtevant, Lasher B. Gallagher, twenty, who has studied stenography since the age of ten, wrote 28 words a minute, which was as fast as anybody in the room could read to him.

There is the complex and extensive plan of mucous membranes lining all the cavities of the body. Herein is where poison matter collects to be prepared or converted as they are important. This is accomplished mainly by the mucous membranes of the lungs, liver, kidneys and bladder and by the skin which is a modified form of mucous membrane. S. S. S. has a most peculiar action in stimulating these membranes to the excretion of hyper-secretions.

The well known catalytic action of S. S. S. is important. This means that the medicinal properties upon entering the blood do not lose their identity through changes, but continue a medical influence until eliminated by the various excretories.

The action of S. S. S. by catalysis throughout the connective tissues dissolves those disease germs in hiding, cleanses the pores of the body to check disease and replace with new tissue-building materials that which has broken down or has become infected by disease germs. This is equally true of those unfortunate conditions as often the effect of harsh drugs. It is simply a question of getting the blood cleared and forcing nutrition wherever the damage needs repair work.

As is well known S. S. S. is purely a vegetable preparation but contains a most wonderful ingredient to overcome blood impurities and particularly eczema and all skin diseases.
